

# Assembly Instruction

## CRANK SET

FOR AION 1X / ZERON 1X

### ⚠ WARNING!

Be sure to read these Technical Service Instructions carefully, and keep them in a safe place for later reference. Failure to follow the warnings and instructions could result in damage to the product, the bicycle, injuries or even death. Since specific tools and experience are essential to proper installation, it is recommended that the product be installed by a qualified bicycle technician. Maintenance interval depends on the usage and riding circumstance. Please note that the warranty is limited under normal use for a period of two years from the date of original purchase.
