\* When there is a scale of sanctions, the commissaire must take into account any *extenuating/mitigating* or aggravating circumstances, including:

- The level of the team of the licence holder involved (club team, UCI WorldTeam, etc.);
- Whether the sanction follows a *prior* warning;
- Whether the licence holder has already been sanctioned for the same infringement during the same event;
- Whether the infringement afforded the licence holder an advantage;
- Whether the infringement led to a dangerous situation for the licence holder or others;
- Whether the infringement happened at a key moment of the race (final kilometres of the race, feed zone, intermediate sprint, etc.);
- Any other *extenuating/mitigating* or aggravating circumstances according to the commissaire's judgement.

\*\* ~~When concerning~~ *In the case of* a "penalty in the points classification", the number of points deducted is a percentage of the points allocated to the winner of the stage in question. ~~When concerning~~ *In the case of* a "penalty in the mountains classification", the number of points deducted is a percentage of the points allocated to the first rider to reach the summit of a climb of the highest category in the stage in question. The penalties are rounded up to the nearest whole number.

## Clarifications

**2.12.007 bis** Unless otherwise stated, sanctions are to be applied “per infringement” and “for the licence holder involved”.

When a penalty is imposed regarding “points from UCI rankings”, the points will be removed from all UCI individual rankings in which the rider may be ranked. As a consequence, the sanction will also impact other UCI rankings (by team, by nation, etc.) that are calculated on the basis of the points scored by the rider in an individual ranking.

When a “time penalty” or “points penalty” is imposed, the penalty is applied to the general classification (time or points) of the event. The penalty is rounded up to the nearest whole number.

The word “poussette” in French equates to “nudge” in English and refers to the action of one rider touching another in order to indicate how to move. “Pushing” is one rider assisting the movement of another in order to gain an advantage.

Unless otherwise stated, sanctions for a “Sport Director” are given to the Sport Director in charge of the team.

If a licence holder cannot be specifically identified by the commissaire(s), a fine may be imposed directly on the team or the Sport Director in charge of the team.

In stage races, all sanctions and penalties relate to individual general classifications. These may, depending on their severity, and upon the decision of the Commissaires’ Panel, also be applied to the individual stage results. If the Commissaires’ Panel considers that the infringement committed by a rider benefits his or her team in the general classification on time, a further 30 second penalty is applied.

Upon the request of the sanctioned licence holder, the Commissaires’ Panel will provide the reasoning behind the sanction applied.

**2.12.007ter** The UCI shall maintain a database of yellow cards imposed in accordance with articles 2.12.003bis and 2.12.007.

In case a licence-holder receives 2 yellow cards during the same event, they shall be excluded (in case of a stage race) or disqualified (in case of a one-day race) from the event and be suspended for a period of 7 days, starting the day after receipt of the second yellow card.

In case a licence-holder receives 3 yellow cards within a period of thirty days, they shall be suspended for 14 days, starting the day after receipt of the third yellow card.

In case a licence-holder receives 6 yellow cards within a period of one year, they shall be suspended for 30 days, starting the day after receipt of the sixth yellow card.

Any yellow card that has been counted for the imposition of a period of suspension shall no longer be considered.

In case a period of suspension starts during a stage race, the rider shall be excluded from the event. The UCI points gained until the day of participation in the stage race shall be maintained.
